

Changing Your Password

This tutorial will show you how to change the password to your Second Life account. Changing this password will change everything that is directly under the Linden Lab umbrella to include the Second Life website, Second Life client, and the web-based Second Life marketplace, XStreet.

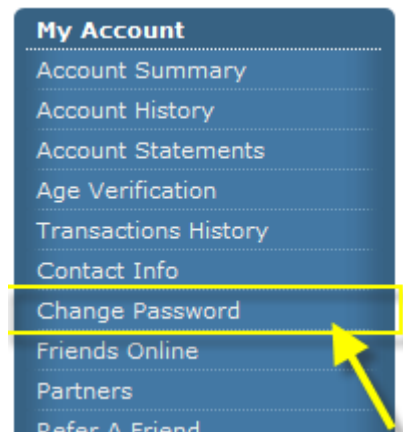

1. Go to <http://secondlife.com>.
2. Then, click on “Login” in the top right corner of your web browser.

3. In the next screen, enter your Second Life First Name, Last Name, and **current** password and click the “Submit” button. If you do not know your current password you will need to click on the “Forgot your name or password” or call (866) 476-9763.

A screenshot of the 'My Account: Login' page. At the top, there is a blue button labeled 'Change Password' which is highlighted with a yellow box. Below it, the page title is 'My Account: Login'. A message says 'You are entering a residents-only area!'. There is a link: 'If you are not a resident, [create a FREE basic account today !](#)'. The form has three input fields: 'Second Life first name:', 'Second Life last name:', and 'Password:'. There is a 'Forgot your name or password?' link next to the password field. A blue 'Submit' button is at the bottom.

4. Upon logging in, you will be directed to your **Account Summary** page. This is a condensed list of all your account features like billing information, current amount of linden dollars, and membership information. In left navigational menu, click on “**Change Password**”.

- In the next screen, you will need to enter your **current password** and your **new password**. The indicator beneath your new password will inform you if you have chosen a secure password. When you have chosen a sufficient password, re-enter your password in the last form box and left-click the Save Changes button.
